

West Sound Beekeeping Association Membership Form for Calendar Year 2022

Join the WSBA! Member dues support the Association's goals of promoting better understanding and appreciation for honeybees and beekeeping, and of helping beekeepers become better at their craft by offering educational programs. Being a paid member of WSBA puts the Association's library at your disposal, allows the use of the Association's extractors, gives you access to our beekeeping courses, apiary sessions and monthly meetings and puts you in touch with knowledgeable beekeepers who are eager and willing to mentor new members and share their expertise.

Dues are \$20.00 per calendar year which covers everyone in your family. Dues paid in October, November or December 2021 also cover the 2022 calendar year.

To join or renew your membership, you have two options: –
